APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights. The State reserves the right to regulate the use of the water herein

granted at all times. Deleterious matter of any kind whatsoever

must not be dumped into the stream. The water must be returned

to the stream in the most practicable way, for use below.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed

One & 25/100 cubic feet per second.

Actual construction work shall begin on or before May 15th, 1914.

Proof of commencement of work shall be filed before June 15th, 1914.

Work must be prosecuted with reasonable diligence and be completed on or before May 15th, 1916.

Application of water to beneficial use shall be made on or before October 15th, 1918.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 15th, 1918.

WITNESS MY HAND AND SEAL this 15th day of April, 1914.

Cancelled APR - 9 1917 because of failure of
applicant to comply with provisions of permit.

W. Mearns
State Engineer.
